

SA105 Fibre Blowing to the Customer

**Prerequisites
Required: SA020
OR SA029 & SA002
OR SA006**

Course Description

This qualification covers the installation of a single fibre or fibre bundle to the customer's premises using air-assisted fibre blowing techniques. It focuses on the preparation of existing ducts or micro ducts, the setup and operation of blowing equipment, and the controlled delivery of fibre between a customer termination point and a network access point.

Duration

1 Day

Cost

£181.50 + VAT
