

NRSWA- Full Units Re-Assessments (Operative OR Supervisor)

**Prerequisites
Required: Full
NRSWA**

Course Description

Our NRSWA Full Re-Assessment course is designed for operatives who already hold Street Works qualifications and need to renew their units before expiry.

This re-assessment confirms the candidate's continued knowledge and competence across key street works activities, including location and avoidance, excavation, reinstatement, compaction, backfill materials, bituminous materials, modular surfaces and concrete footways.

This course is suitable for experienced operatives who need to maintain valid NRSWA certification and continue working legally and competently on the highway.

Cost

£400.00 + VAT

Duration

2 Days
