

NRSWA- Unit S2 - Monitoring excavation in the highway

**No Prerequisites
Required**

Course Description

This unit is designed to allow the candidate to demonstrate the skills and knowledge required to monitor excavation in the highway. The candidate will be able to monitor excavation work, in line with the relevant specifications and codes of practice, and will show that they monitor the action taken to avoid damage to underground apparatus during excavation. The candidate will also be able to monitor the selection, storage and disposal of re-usable and unusable materials on site, and they will be able to monitor site safety throughout the excavation operation.

Cost

£222.75 + VAT

Duration

1 Day
